25X1 1.

Genleit Zarako-Zarakowski

25X1 had originally been scheduled for reassignment to Lublin, but had been reluctant to take over this new post because of wide-spread partisan activities in the Lublin area. As of October 1946, he 25X1 was scheduled for a new assignment in Bydgoszcz (Bromberg). The General is 25X1 reported to have submitted his resignation from the Army on several occasions, but has not as yet been permitted to retire.

25X1 2. Reasons for the contemplated deactivation of DOW 6 were unknown; 25X1 however, in September 1946 the Mayor of Lodz had submitted a petition to Marshal Michal Rola-Zymierski, Minister of National Defense, in which it was requested that DOW 6 be kept in Lodz since the city has been the seat of a military district since 1917. By the end of October 1946 no answer had been received to this petition.

25X1 3. Zarako-Zarakowski is a Pole from Warsaw who has spent many 25X1 years in Russia.
